DACORUM DANCE 2014

This year's Dacorum Dance Competition took place on Friday 28th March at SportSpace Hemel Hempstead. The theme this year was 'Animals'. With over 500 tickets reserved it was going to be a busy night and a daunting experience for some of our younger performers.

5 Secondary schools entered—Kings Langley, Astley Cooper, Longdean, JFK and The Cavendish School. The judges had a tough decision this year as the standard of performances was brilliant. Astley Cooper won the Secondary competition and also took third place with Longdean school coming a very close 2nd.

The primary competition was also of a high standard this year. We had two new schools enter for the first time which was great to see. Entries came from St Albert the Great, Nash Mills, Greenway, and Leverstock Green. Congratulations to St Albert the Great for winning, Nash Mills for coming second and Greenway for coming third.

We also had showcase performances from Spotlight dance which was a real treat.

Thank you to Judges Debbie Woodard, Lilli Bentley and Clare McCawley and also to 3 Strands Media for providing the music and lighting. We look forward to running the event again next year and hope to get more pieces entered from our primary schools.

DISABILITY DAY

On Friday 7th February we held our annual disability day for main-stream pupils. The event took place at Queens school in Watford. Activities included Football, Urban Rebounding, Cricket and Wheelchair Badminton. Students from various schools in Dacorum attended the event, and some were even talent spotted. We hope now to raise awareness of disability sports and get more young people participating.

Schools then had the option to buy the resources. On Friday 31st January the PE coordinators were brought together for a training day at Lloyds in Hatfield. Some updates were given out in the morning around Sport Premium Funding and Kitemark. The Rockets leadership package for KS1 was then explained and after lunch we delivered some Change 4 Life training.

Innov8e delivered the session and staff took away invaluable skills and ideas. The afternoon session on Cricket was delivered by Herts County Cricket Association and focused on skills and drills to be used in schools and also competition formats—We had to cancel the KS1 and KS2 Tennis course as not enough people signed up to attend.

Saracens Sport Foundation Tag Rugby Festival

On Thursday 27th February the weather held out for the annual year 5/6 tag rugby competition held at Camelot rugby club and organised by Saracens Sport Foundation.

Whilst schools were not playing we had the Saracens Academy boys down to entertain them and to throw some balls around.

The final was between Bridgewater and Chaulden with Bridgewater winning overall. Both teams will go onto represent Dacorum at the Herts School Games Final in June.

Well done to all that took part, and thank you to Ashlyns and Adeyfield for supplying the leaders to help out with the day.

LEADERSHIP NEWS 2014

Step into Sport Camp

The Cavendish school as the lead for Leadership Coaching and Volunteering in Hertfordshire received nominations to take 16 pupils to Loughborough for the annual Step into Sport camp. 8 mainstream leaders wishing to work with SEND pupils were selected and of the 8 SEND spaces only 5 were able to attend the event. After a couple of last minute drop outs we set off early on Monday 31st March to Loughborough with 11 students. The camp consisted of 3 days of training, co-operation and leadership, staying in the halls of residence and of course the disco. Our 11 students were a credit to Hertfordshire. 4 awards were given out at the end of the camp attended by over 150 students from across the Country. Joe Fundrey from Marlborough School and Charlotte Wight from Queens School received 2 of the 4 awards. Well done to both of them. A very proud moment for Hertfordshire and for me. The journey home with 11 excited students with lots of ideas of what they wanted to do next was great. We will be organising the county conference next year putting into practice the skills they learnt!

Young Ambassadors Conference

This years YA conference was held at Herts Sports Village in conjunction with Hertfordshire University.

Schools from across Herts and other Counties attended the days training gaining skills in negotiation, leading and running/organising competitions. The event was opened by Btec Dancers from The Cavendish School, as well as inspirational talks from Jeanette Kwakye and Badminton player Anthony Clark.

Students were asked to register on the YST YA website so they could then blog about their experiences and about the competitions they intended to run. The Young Ambassadors programme offers a world of new opportunities to students and is hopefully being embraced by all who attended.

Step into Sport Conference

Herts Project Ability School and Herts Leadership Coaching and Volunteering school this year ran its first Special Schools Step into Sport Conference.

Host Anne-Marie Riddle did a great job of supporting

students into their leadership role. Their day started off with an inspirational talk from Paralympic Athlete Ian Rose

who wowed everybody with his stories of penguins and polar bears!

Students that attended the conference are now tasked with going back to their own schools and supporting delivery of Level 1 competitions to raise participation rates in Hertfordshire's Special Schools. Well done to all who delivered and participated.

Bronze Ambassadors

Dacorum's Bronze Ambassadors continue to grow into their roles this term. Lilli has been out meeting with them to find out how they have got on in the Autumn Term and to set new targets for the spring term.

Those who have met her have received their caps and badges. Lilli will be arranging more meetings for the summer term to make sure that each school has their Sainsburys School Games day organised and registered on the website, as well as making lots of plans for National School Sports Week. We will also be tasking schools with interviewing their next batch of Ambassadors ready for next academic year!

The second term of Sainsbury's School Games competitions have got off to a brilliant start with competitions in Sportshall Athletics, Trampolining, Rowing, High Five and the Saracens Tag Rugby Festival

The winning schools of these events will be taking part in the Hertfordshire Sainsbury's School Games finals in the week of 25th March 2014

AUTUM TERM BOCCIA TEAM GOES TO REGIONAL AND NATIONAL COMPETITION

The Longdean School team of Lewis Brunt, Rachel Hartley, Thomas Hartley and Jessica Stretton represented Hertfordshire and Dacorum in East England Region U19 Schools Boccia Championship having qualified from the Hertfordshire County Competition. The Longdean team played a series of matches against the champions of Hertfordshire (won 13 - 1), the champions of Essex (won 5 - 4) and the champions of Cambridgeshire (won 7 - 4). By winning all their matches Longdean became East of England Champions and qualified for the National Championship which they attended on 6th March in Sheffield. In the initial group stage Longdean finished 3rd. However that included a comfortable victory against last year's champions, Danum Academy from Yorkshire, and a very narrow defeat on the last ball played by the eventual 4th placed team, West Lea School from London. Defeat in the play-off game meant that Longdean finished creditable 8th overall in what was a very high level of competition. Well done to the team for such an impressive performance.

YEAR 6 SPORTSHALL ATHLETICS

Sports Hall Athletics events for year 6 pupils across the district were held at three different venues from Wednesday 5th March- Friday 7th. 21 Schools entered the competition creating their own boys and girls teams, pupils were then selected to compete in track and field events throughout the

afternoon. Over the three events all pupils showed brilliant sportsmanship and competed to the best of their ability. The overall Dacorum winner was Bridgewater, with Kings Langley Primary coming second and St Pauls taking third place. Bridgewater pupils will go on to represent Dacorum at the level 3 Herts Sainsbury's School Games Final.

Year 7/8 Sportshall Athletics

On Tuesday 25th February seven secondary schools brought year 7 and 8 boys and girls teams to The Cavendish School to compete in an Athletics event. Pupils were selected by teaching staff to compete in certain track and field events. Field events consisted of long jump, speed bounce, triple jump, javelin throw, vertical jump and chest push. The track events consisted of team relays as well as obstacle races and individual races. Students were being scored or timed on each event to find an overall winning team from each category. After all the scores were calculated JFK year 8 boys, year 7 girls and year 8 girls were crowned winners. Ashlyns year 7 boys were crowned winners in their age group. All students enjoyed the event and showed some great talent. Well done to all teams for participating.

HIGH FIVE LEAGUE

10 teams entered the high five netball tournament this year resulting in having an A and B league, all games were held at Hemel Hempstead Sportsspace. Since the 13th January teams have been meeting every Monday after school to play each other, all teams played some fantastic netball this year and improved throughout the duration of the competition.

Both St Pauls and Chauldens A and B teams made it through to the Semi-finals resulting in them having to both play their own school. After some great netball both St Pauls A and Chauldens A teams got through to the final. It was an extremely close game with an end result of 5-4 to St Pauls making them this year's High Five champions.

TRAMPOLINING

The Trampolining event was held on Thursday 30th January at Ashlyns School. Pupils were given 4 set routines and skills prior to the event to choose from depending on what category they felt suited them best 1, 2, 3 or elite. There was 4 Judges at the event scoring on each trampoline marking the student's routine and set skills. Cavendish and Ashlyns entered, both schools showed brilliant skill in their performances. Due to only

having 2 schools enter the event Ashlyns and Cavendish students were all crowned winners and will be creating a Dacorum team ready for the level 3 Herts School Games. Well done to all pupils!

ROWING

This year's U14 Boys and Girls rowing event was held on Tuesday 4th February at The Cavendish School. Cavendish, Adeyfield, JFK and Ashlyns entered the event. Both girls and boys teams were made up of 4. Each team had to row 2000 meters. All boys set off well, the race looked extremely close. However after some great change overs Cavendish Boys were crowned winners. Next was the U14 girl's race. All put huge amounts of effort in with some great team spirit and encouragement. Cavendish girls were victorious and crowned U14 girls winners. This year's U16 rowing final was held on Wednesday 5th February at The Cavendish school. 2 schools entered this event only bringing a boys team.

Longdean and Cavendish battled it out with some great strength. The race started off very close, however Longdean started to break away resulting in Cavendish unable to close the gap. Longdean were crowned U16 winners. All winning teams will represent Dacorum at the Level 3 Herts School Games Final

School Games Finals

The Sainsburys School Games competitions took place the week commencing Monday 17th March at Wodson Park. Having gotten through various Level 2 competitions, schools from Dacorum represented us against the rest of the County in Trampolining, Sports Hall Athletics and Rowing.
