Multiplication task 5

Pine, which strategies help you to add? Column addition or drawing tens and ones? Use drawings to help you if you need it!

Remember to show your parents how you worked it out! Even if you get it wrong you will get a point for showing how you tried to work it out ☺

Two step problems

1. Hats : £10 Sunglasses : £23
   How much would it cost to buy 5 hats and 2 pairs of sunglasses?

2. Trainers : £7 Football Top : £10
   The shop sells 3 pairs of trainers and 7 football tops. How much money has the shop made?

3. Sunny Day Primary school is having a charity event. The target is to raise £150. Thirty two children have raised £2 each. How much more money is needed before they reach the target?

4. Dudley, the dog, has four friends round to play. All five of them have five biscuits each. BUT…. in the treat tin there is only enough for three of them to have five biscuits each. How many biscuits were in the tin?

5. Miss Dell bought 3 photo frames costing £2 each. She paid with a £10 note. How much change did she get?

Checking station

1. £96
2. £91
3. £86
4. 15
5. £4
