# Step 1 Jacob's Budget

Jacob gets £10 pocket money per week.

He walks his neighbour's dog everyday for £10 per week.

It has also been his birthday and he got £20 from his grandparents.

**Jacob has made a list of all the things he needs to buy and things he wants to buy.**

| | | |
|---|---|---|
| **New book for school**<br>**£4** | **Cinema trip with popcorn and a drink**<br>**£15** | **Birthday present for brother**<br>**£10** |
| **Bus fare to school**<br>**£0.75 a day** | **Mobile phone top up card**<br>**£10** | **Sweets**<br>**£3** |
| **New stationery set**<br>**£5** | **Fast food burger and milkshake**<br>**£6.50** | **Online gaming monthly pass**<br>**£15** |
