13th July 2020

Year Maple,

Mr Lewis has very kindly prepared lots of resources for your ‘Sports Week’ this year – I hope you enjoy them.

This will be my final letter to you this school year as it’s nearly time for you all to begin the next chapter in your lives. It has been absolute pleasure getting to know all of you. Although we were not able to do all the things we planned, I have been so impressed with your resilience and enthusiasm for learning. You are a talented bunch and I have nothing but admiration for how well you have always worked together as a team and supported each other.

Please do come back and see us at Greenway; all the staff love to hear about what our old pupils have been up in their new schools.

Enjoy the rest of the summer and have a brilliant time at your new schools.

All the best,

Mrs Adams.
