HOME _____	FRIEND OR RELATIVE'S HOME _____

Think about these questions. You probably don't know the answers to many of them without asking, but hopefully these will help you think about what you have noticed when you've been there:

- are the lots of houses packed together?
- Are there lots of shops or just a post office and a few pubs
- Are there lots of restaurants and entertainment e.g. cinema
- Is there a sports centre or parks to exercise and play?
- Are there lots of trees and fields
- Are there main roads, lanes, motorways?
- Are there lots of hills or is it very flat?
- Is there water – lakes, rivers, canals, streams or ponds?
- Is there a railway?
- Traffic: Is it busy – are there lots of cars and busses on the roads?

<u>What do YOU remember about visiting?</u>
