Dear Elm,

Thank you for being a super duper class!

You will never forget your Year 1 experience because of lockdown, and you should all be incredibly proud of yourselves for how well you coped being at home and being back in school these past few weeks. I will miss seeing your faces around school now that I am moving back to Manchester, but I know you will all do amazingly well in Year 2 and beyond! I hope you have a lovely summer and I hope this rainbow will always make you smile and remember your time in Elm class.

Take care,

Miss McGuire x
