

December 2012

Dear Parents/Carers,

Greenway Running Club

Thanks to everyone who has registered interest in the Running Club that we are proposing to start next year for Years 3 and 4.

The good news is that we have been overwhelmed with the level of response; it's wonderful to see the Olympic Legacy at Greenway! The problem this gives us is that we are completely over-subscribed and unless we can offer more capacity we will have to turn away half the children who want to take part. We don't want to do this.

The solution we have is to run an additional running club on a Thursday after school from 3:30-4:15pm. We'd like to thank everyone who has volunteered so far but to make the extra session possible we are going to need some Thursday after-school volunteers too.

It would be good to see a more even spread of volunteers of men and women. We have a high ratio of boys to girls participating which is a shame given all of Jess's efforts! If you really can't help out at either session there will be an opportunity for everyone who wants to do 'their bit' at the inter-school tournaments.

We have had some applications from Year 2 but unfortunately we won't be able to accommodate your children until next September. You are still very welcome to be a parent volunteer though as the more help we get the better the chance of the club still being in operation in September 2013!

We'd like to ask you to complete the table below and let us know which session your child would prefer and which session you can volunteer at and how many times over a term you can think you can commit to. Ideally we want a core of 2-3 regulars and 2-3 occasional helpers at each session.

There will be a short evening training session for volunteers arranged for early January (don't panic, it won't involve running!).

Please hand your form into the office by **Wednesday 12th December**.

With many thanks,

Mark Loczy
Key Stage 2 Leader
