

Dear Parents,

Berkhamsted Reorganisation – Travel to and from Schools

We thought that it would be helpful to provide you with a brief update on our letter dated 25 June.

Katharine Weston and Elizabeth O'Reilly have recently met with Martin Meers and Bailey Saunders from the Safer Routes to School Team. The school has also had a meeting with Paul Durr from the Living Streets project.

Discussions will continue with the Team in the next academic year as to the travel issues surrounding pupils attending Greenway.

However, in the interim we would urge all of you who have concerns about travel to and from schools within the Town to write to the individuals below. We understand that many of you have done so and that County Councillors will be appraised of this correspondence. We hope that continued pressure by letter/email will help the development of appropriate travel arrangements for all children travelling to school within the Town.

Miss Bailey Saunders, Safer Routes to School, County Hall, Pegs Lane, Hertford, Hertfordshire SG13 8DQ
