## **PERSONAL STATEMENTS.**

### **1. Ms Beth Baylay**

I have two children at Greenway and a third starting in 2016. For the last two years I have been a very active member of the GSA committee and the Parent Forum. As a freelance environmental consultant I have a wealth of project management experience and sustainability in both private and public sectors.

I am very passionate about Greenway and education and would like to help the school continue to raise standards, ensuring that the school maintains its outstanding status.

### **2. Mr Jonathan Eyles**

I am the parent of two pupils currently at Greenway in reception and year three and have lived in Berkhamsted for the last fourteen years. I am a Partner of an independent construction and property consultancy based in London which specializes in cost and programme management and I am currently working on the redevelopment on Kings Cross. Whilst family life takes up most of my spare time I enjoy cycling and swimming whenever I get a chance.

### **3. Mr Andrew Fleet**

My daughter is moving up to year 3 and we're proud of her progress at Greenway. I run a successful music workshops business for youngsters, teach and play piano professionally and work as a Special Constable within Hertfordshire Police. I co-launched the local schools for local children campaign where we engaged local government and pushed change forwards. I believe children should be encouraged to focus on their talents , allowed to think more freely and question everything.
