Dear Parents/Carers,

You may recall that in November 2014 we provided you with a copy of a letter sent by the Governing Body and Head to the planning authorities relating to a planning application lodged in respect of houses to be built on land at the top of Durrants Lane. It would appear that the application has been successful.

We remain concerned about the impact of this development on the school not least with regard the increased traffic along Shootersway which will inevitably arise from this. We have been made aware that there is a petition lodged by a local resident at consult.hertsdirect.org/petitions "To reduce the speed of vehicles on Shootersway, Berkhamsted to the existing legal limit of 30mph by reminders on poles and the road, and by vehicle activated signs indicating speeds or "Slow down". Pedestrians (including school children) are currently at risk on the narrow and poorly maintained pavement".

The petition remains open until 31 March and we would urge you to consider signing this.

Regards

Katharine Ellwood
