Spring Term Update

With your help this term we've raised **£1,890**. This term's fundraising will purchase a camera for each classroom, support creative learning activities during Art Week including the outside mural, and allow each teacher £200 to spend on items needed for their class. Look out for a survey monkey link soon to vote on other projects you'd like the GSA to fund this year.

Here's how you did it and how you can help next term:
