Head Teacher: Katharine Ellwood

21 April 2015

Dear Nursery Parents/Carers,

Following the letter sent yesterday to the whole school with regard Reception places for 2015-2016, I thought it would be helpful to clarify the arrangements for your children in a little more detail.

Due to the specific situation at Greenway where there are many current nursery children who have siblings further up the school, the Local Authority and our Governing Body have agreed to provide 6 additional Reception places for September 2015. As part of this local agreement the school is receiving additional funding to support these extra places. This funding will provide an additional class teacher. We are in the process of recruiting for a new Reception teacher.

The Reception class in September will have two class teachers. The class will not be split. I know that some of you have communicated that you are concerned about physical space. Our classrooms in the Early Years are big enough for this extra number of children and the floor space is within the current legal requirements.

You will be invited to a New Reception Parents meeting on June 4 at 8pm, where specific arrangements will be discussed further.

Regards

Katharine Ellwood
