Head Teacher: Katharine Ellwood

3<sup>rd</sup> June 2015

Dear Year 5 parents/carers,

To continue our 'Space' theme and as a reward for their hard work during Science Week, we would like to give the children the option of watching the 1995 historical docudrama, *Apollo 13*.

The film depicts America's third Moon landing mission that turned into a struggle to get the three astronauts home safely.

The film has been given a Parental Guidance (PG) rating. A PG film should not unsettle a child aged around eight or older, but some scenes may be unsuitable for sensitive children.

Please let us know (before 11<sup>th</sup> June) if you consider that the content may upset your child and you would prefer that they were offered a different activity instead.

Kind Regards,

Mrs Adams and Mrs Hawkins.
