

3rd May 2016

Dear Parents/Carers,

Sports Week 16th – 20th May

Sports week is 16th – 20th May, where your child/children will take part in a range of sporting activities with outside agencies and Ashlyns School sports leaders. In the past we have held a traditional sports day and a competitive afternoon. These will now be held on separate days and parents are invited to watch on Wednesday 18th only.

On Tuesday 17th May in the morning we will be having the carousel of different activities when the children are grouped by houses and take part in team events. On Wednesday 18th May the morning will be the competitive events for Years 4, 5 and 6. All children will take part in a 100 metre race, an agility course, a throwing event and a standing triple jump. In the afternoon all the Year 1, 2 and 3 children will take part in a 50 metre race, obstacle course, a throwing event and a standing long jump.

If you have children who will be competing in the morning and the afternoon you will need to leave the school site and return for the afternoon.

Wednesday 18th May timings

9:15-12:15 – Year 4, 5 and 6 events

1:05-3:00 – Year 1, 2 and 3 events

Children should come to school in their p.e. kit every day of Sports week and bring in a water bottle, they do not need to wear school uniform.

Many thanks

Mark Loczy
P.E. Leader
