

Dear Parents/Carers,

17th November 2016

School Milk

All children are entitled to have milk at school. Hertfordshire County Council requires us to place our order for school milk in advance and the cost for the Spring Term 2017 will be **£12.32**. Only children who are on benefit related free school meals are entitled to free milk.

Credits cannot be given for milk except after a prolonged absence. Water is available for children not having milk. Alternative drinks brought from home are not permitted.

A new regulation by the European Community obliges us to inform you: mid-morning milk is being provided at reduced prices as a result of European Community subsidy and that milk is good for you!

Please return this slip whether or not your child requires milk. Orders and payments must be received by **Wednesday 14th December 2016** otherwise milk will **not** be available next term.

Yours sincerely

Sara Hill
Office Assistant
