

Dear Parents,

15 November 2016

### **Parent Governor Election**

Following my letter dated 31 October, I am delighted to be able to report that we received one application for the position of parent governor from Claire Riches whose son Charlie is in Year 4. In light of the fact that there were no other applications, there will be no need for an election and Claire will take up her position on the Greenway Governing Body with immediate effect. She will sit on the Personnel Finance and Premises Committee.

We welcome Claire to the Governing Body and look forward to working with her.

With kind regards,

Yours sincerely,

**Elizabeth O'Reilly**  
**Chair of Governors**
