Friday 10th February

Dear Parents,

Philosophy 4 Children Curriculum Evening – Tuesday 28th February

Following the successful addition to the curriculum of Philosophy 4 Children (P4C) lessons in September 2016, we would now like to introduce P4C to parents at a Curriculum Evening on Tuesday 28th February at 7.30pm.

This will be a highly interactive evening, at which you will find out what a typical P4C lesson looks like in all year groups and have a go at pondering, debating and sharing your views on some of the thought-provoking questions children and adults are grappling with at Greenway these days.

We hope as many of you as possible will be able to attend. Increased parental involvement and understanding of the curriculum enhances children's learning as well as giving you a greater insight into the activities they carry out at school.

So that we can prepare the right number of resources for the session, please confirm your attendance by returning the slip below to the school office by Friday 24th February.

Regards

Katharine Ellwood

I/we will be attending the P4C Curriculum Evening on Tuesday 28th February.
