Head Teacher: Katharine Ellwood

Friday 28<sup>th</sup> April

Dear Parents,

### **Philosophy 4 Children Curriculum Evening – Thursday 18<sup>th</sup> May**

Following the successful addition to the curriculum of Philosophy 4 Children (P4C) lessons in September 2016, we would now like to introduce Philosophy 4 Children (P4C) to parents at a Curriculum Evening on Thursday 18<sup>th</sup> May at 7.30pm.

As you will be aware the first P4C evening was sadly cancelled due to low numbers and to avoid this happening again we ask that you confirm your attendance by returning the slip below to the school office by **Monday 8<sup>th</sup> May 2017**.

This will be a highly interactive evening, at which you will find out what a typical P4C lesson looks like in all year groups, from Nursery to Year 6, and have a go at pondering, debating and sharing your views on some of the thought-provoking questions children and adults are grappling with at Greenway these days.

P4C prepares children for the future by equipping them with valuable life skills, critical thinking, team work and communication and organisation skills, that employers and universities highly value.

We hope as many of you as possible will be able to attend. Increased parental involvement and understanding of the curriculum enhances children's learning as well as giving you a greater insight into the activities they carry out at school.

Regards

Katharine Ellwood
