Dear Parents

Harvest

I just wanted to say a big thank you to all of you who attended our Harvest celebrations. It was lovely to see so many of you and the children's performances were great. Thank you for all your donations from the DENs list which I know will be really appreciated. We raised £178 and this will be split between All Saints Church and our school charity for this year which is The Hospice of St Francis.

Our new apparatus

We are all very excited about our new climbing apparatus which has been installed this week. However we are still waiting for some parts to arrive which will hopefully be here over half term. We are instructing our children not to use this piece of equipment. We will be putting some signage on the equipment to make everyone aware. Thank you for your cooperation in this matter.

Miss Copper becomes Mrs Letheren

I know Miss Cooper was overwhelmed by the good wishes and presents yesterday. She is very excited and looking forward to marrying her finance on Saturday.

Pumpkin sale

A final reminder that pumpkins are on sale after school today in the school playground. There has been lots of interest and I know the GSA are looking forward to receiving the photographs of the children's carvings!

It has been a busy half term and I know the children are looking forward to half term. Have a relaxing break and see you all back at school on Monday 30 October.

School is closed tomorrow for INSET.

Regards

Katharine Ellwood
