

Friday 29 October 2017

Dear Parents

## **URGENT: Oktoberfest Friday 6th October**

The GSA have already committed over £700 to this event to pay for the band and the pre-order of etched beer glasses. The last time we provided this event in 2013 it was a resounding success and great fun!

I know that the GSA are really disappointed that we will have to cancel this event if we do not increase our tickets sales. I know a lot of parents have said that they are coming but as of yet have not purchased tickets. I do not want to be in the position that we cancel this event.

### **PLEASE BUY TICKETS TODAY**

**The GSA will be in the gazebo at 3pm today.**

**Tickets are £15 which includes food and live music!**

I have never had to cancel a GSA event before and I know that the parent volunteers are devastated that we may have to do this and run this event at a loss. This is your school and the GSA do so much to provide enriched experiences and resources for your children.

## **Please support the GSA**
