Dear Parents

Beech and Cedar class update

I do hope you have all had a restful holiday and your children are ready for the start of term. I wanted to update you with regards both Beech and Cedar classes so that you are clear about tomorrow morning. The new classroom will not be ready for the start of term and we are hoping that this will be completed in October. This means that new arrangements have had to be put in place.

Beech Class (Miss Orr)

Children will access their classroom through the door into the library corridor. This is situated opposite where Mrs Chassebi taught Year 2 last year. Beech class will use this door at drop off and at pick each day until the new classroom is completed.

Cedar Class (Miss Holly)

Cedar's new classroom will be where Nursery used to be. This will be Cedar's room probably until October half term, when hopefully they can be moved into the new classroom.

Many thanks for your cooperation in this matter.

Katharine Ellwood
Head Teacher
