

Greenway Primary
& Nursery School

School Plan 2014-2015

This School Plan was developed with the Senior Leadership Team on our strategic away day in June 2014. This is reviewed and updated termly and reported to Governors. Main priorities are the key drivers for improving pupil outcomes and are closely linked to staff's professional development.

Teaching & Learning-

- Quality of teaching and learning.
- To implement and monitor the delivery of the new curriculum.
- To ensure all teaching is pitched appropriately and differentiated, enabling all children to reach their full potential.
- All teaching is at least good with the majority being outstanding.

Pupils Achievement & Standards-

- To increase attainment and progress in writing for boys in Key Stage 1.
- To implement the new approach to tracking Pupil Progress.
- To develop further opportunities that will engage and motivate boys to write.
- To improve the quality of assessment in Science across the school.

Leadership & Management-

- To launch and monitor the new behaviour policy.
- To implement the new SEND code of practice in line with national changes.
- To effectively track and monitor groups of under-achievers, including Pupil Premium children.
- To continue to develop subject co-ordinators in leading and monitoring their subject area.
