

Curriculum Evening New Behaviour Policy

1. What does appropriate behaviour for learning look like?
2. How are children who demonstrate it consistently rewarded?
3. What is the ladder of consequences?

If you have been asking yourself these questions since your children returned to school in September, they, and many others will be answered at a special Curriculum Evening on Thursday 6th November from 7-9pm.

During the course of the evening, we will explain the principles of positive behaviour management, the values that underpin everything we do at Greenway, how these are conveyed to the children and the consequences of not demonstrating them.

Staff have been using the system since the beginning of this term and the children are responding well. We hope that your attendance at this special evening will mean that the values we promote at school are further reinforced at home, resulting in even higher aspirations and entirely positive attitudes to learning from all our children.

Please fill in the slip below by 5 November to indicate your attendance at the event.

Best wishes
