Hertfordshire County Council sets term dates based on the recommendations of the Term Dates Working Group. This working group includes representatives from both the primary and secondary sectors, as well as from teaching unions. With regard to the 2015/2016 academic year, the working group carefully considered the timing of the Easter break and concluded as follows:

"Whilst incorporating the Easter bank holidays within a two-week break can often be desirable, this would have resulted in a very short spring term, particularly in 2016. The overriding view, particularly from primary sector representatives, was that a break in the first two weeks of April, giving more evenly distributed spring and summer term-lengths, was more desirable and conducive for the effective delivery of the curriculum"

Community schools **must** adhere strictly to the term dates set by the County Council.
