Monday 4 January 2016

Dear Parents

Happy New Year!

Further to our letter sent on 14 December and to our text sent yesterday, we are looking forward to seeing you all tomorrow.

We are pleased to report that the school now has electricity – we are extremely grateful to all those involved in facilitating this over the busy Christmas period and in particular our Site Manager, Mr Rapson.

A trench has had to be dug across the early years playground to enable two new cables to be laid from the meter cupboard into the school via the roof.

Our Christmas Carol service will take place for Years 4, 5 and 6 on Wednesday 6 January 2016 (Twelfth Night) at 2pm at All Saints Church. Due to the lack of time between the start of term and the service, we will be unable to process permission slips and therefore **all children** will return to school, where normal pick up arrangements will take place.

The twice cancelled Year 5 Assembly is now planned to take place on Wednesday 13 January at 9am – third time lucky!

May we take this opportunity to thank you for your continued support.

Your sincerely,

Katharine Ellwood
Headteacher

Elizabeth O'Reilly
Chair of Governors
