Ethos of the School

The school strives to develop **confident, curious and successful individuals, who are working to their potential, developing a life-long love of learning and who are all active and valued participants in a happy, caring and well-mannered community.** Parent and carers are an essential part of that community and we recognise that we can only achieve our vision in partnerships with you!

The School will:

- ❖ Always have high expectations for every child.
- ❖ Value, develop and celebrate the individual skills and attributes of every child.
- ❖ Offer positive role models from all staff.
- ❖ Provide a safe (emotional and physical) environment for children.
- ❖ Expect outstanding behaviour to achieve the best environment for learning.
- ❖ Keep parents informed of the progress of their child through Parents' Consultation Evenings and by sending home Annual Reports.
- ❖ Provide at least one opportunity per term for children to show parents their work.

- ❖ Inform parents about the year's curriculum coverage and expectations through the 'Welcome to your New Class' meetings at the beginning of each year.
- ❖ Encourage children to continue learning out of school.
- ❖ Keep parents informed about school activities through regular letters home, notices about special events and regularly updating the school website. The school has an expectation that e-mail will be the preferred method of communication.
- ❖ Inform parents as soon as is reasonably possible if there is a problem with attendance, punctuality or any equipment.
- ❖ Inform parents as soon as is reasonably possible about any concerns or problems relating to their child's work or behaviour.
- ❖ At the start of each academic year each class will produce their own Class Charter detailing how they will behave and relate to each other.
