

Pupil Premium Strategy Statement 2017-2018

Pupil Premium is a grant given to schools to support their disadvantaged pupils and close any attainment gap between them and their peers. It is to be spent on ensuring that pupils that are or who have previously been in receipt of free school meals (FSM), those that are or have been in the care of local authority (CLA) and children of those working in the services make good progress in their learning.

Progress of all pupils is tracked and monitored regularly at half termly pupil progress meetings. The discussions that take place at these meetings and with parents inform our decision about planning appropriate provision.

|--|--|---|-----------|--|--------------------------|-----------|
| Summary Information | The main barrier to educational achievement in this group of pupils at our school is; social, emotional, mental health (SEMH), cognition and learning and communication and interaction. These can have a significant impact on learning. | | | | | |
| Total Number of pupils | 321 | Number of pupils eligible for PPG | 25 | 8% of school | Nursery | 1 |
| | | Number of pupils eligible for PPG with identified SEND | 12 | 48% of pupils eligible for PPG have Special education needs and disabilities (SEND) | Reception and KS1 | 2 |
| | | | | | KS2 | 21 |
| Attainment at Year 2 and Year 6 Key stage tests | | | | | | |
| | | | | | | |

| Budget allocation for the year £ 36 743 | What is it spent on? | What will happen? | What is the impact? End of school year 2018 |
|--|--|---|--|
| £3805 | Counselling ADD-vance | Children experiencing significant social, emotional difficulties and/or with trauma/distress will be identified and supported by 1:1 counselling sessions weekly with qualified counsellor. Families will have coaching sessions to support them with strategies for their child (this is paid through the DSPL budget) | |
| £ 10 941 £11 600 | Teaching assistant (TA) Deployment of staff including Inclusion co-ordinator | TA's are deployed to specific classes to support the learning of pupils. Children's barriers to learning will be identified and appropriate timely interventions put in place to accelerate progress and 'minimise the difference.' <u>This may include:</u> Meet and greet and setting up pupils to be ready to learn, on a daily basis. 'Time to talk' and 'time to calm' when required with an adult. Individual or small group social skills teaching One to one support and interventions for pupils to enable them to develop in to independent learners and reduce barriers to learning. | |
| | Inclusion co-ordinator | Pupils will have opportunities to develop | |

| | | | |
|---|--|---|--|
| | | confidence, self- esteem and peer-relationships through targeted sessions such as protective behaviours, social skills groups and 'Lunch club'. | |
| £10 656 | Specialist Reading Intervention teacher | Identified pupils will receive intensive individual reading teaching sessions to diminish the difference in attainment. | |
| £4000 to purchase Lexia licence for 3 years | Lexia - A computerised reading intervention programme | Pupils identified at half termly pupil progress meetings to access Lexia. Currently 14 PPG children are accessing this intervention. Pupils access 3-4 Lexia sessions at school and have access to this at home, via a secure log in. Pupils make accelerated progress in reading comprehension, spelling and demonstrate increased confidence. | |
| £72.00 £925.00 £2968.50 £5813.50 | Financial assistance: Equipment Uniform Travel WACCY/Clubs School trips | Pupils will have appropriate uniform and equipment. Pupils will participate in school trips and activities. Financial support is provided for WACCY, after school clubs, sports clubs, music lessons. Pupils will have opportunities to access the same clubs as those who are not disadvantaged. | |
| DSPL budget | Learning mentor | Pupils will have positive experiences through access to learning mentor (this is paid through the DSLP budget) | |
| | Clubs (delivered by INCO and TA's) | Friendships and social skills groups for identified pupils to develop peer relationships, learning behaviour and confidence. School sports apprentice will run clubs within the school day and at after school club. | |
