

GREENWAY SHOPPING CARD VOUCHER SCHEME

Do you shop in the above stores?

**Would you like to help raise money for the school
*without it costing you anything?***

It's so easy anyone can do it in 10 minutes

The shops pay the GSA commission

Here's How It Works:

Each month you buy a gift card for Waitrose/John Lewis or Tesco through the GSA and we receive commission of between 2.5% and 4% on these sales. These are ordinary gift cards which can then be used exactly like cash in-store, or like a gift card online (just type in the code on the card at checkout). You will still get your clubcard/loyalty points.

Even if you don't do your main shopping at these stores, parents also use these gift cards for:

- Adhoc 'top-up' shops each month in Waitrose or Tesco (everyone does this don't they?!)
- Birthday & Christmas gifts, and buying the food and drink for dinners and parties at home
- Saving them up for Christmas or treating yourself to something at John Lewis every so often
- Plus - don't forget to get grandparents, other family members and friends to sign up too!

If every family in the school bought £50 worth of vouchers per month we would raise £6000 per year - that's the same as 2 Christmas Fairs (and it doesn't cost you anything!)

It is so easy to join the scheme:

1. Set up a standing order using the following details: **Greenway School Association, Barclays Bank Sort Code: 20-39-07, Account No 30073393**. Please use your first initial, surname and the word "vouchers" as a reference eg L.Smith vouchers.
2. Email Bev Millar at bev_gsavouchers@hotmail.com to confirm you have set up the S/O and tell her what you want. The vouchers can be from one shop or a combination.
3. Vouchers for the shop(s) of your choice to the value of your standing order are available at the end of the month. An email will be sent to you to let you know they are ready, and a GSA committee member will arrange to give you them at school.

One-off orders are also welcome, big or small. Just transfer money to the bank account above or drop cash or cheque into the GSA box - and email Bev with the value and store you want.
