Year 5: Issy Parr,

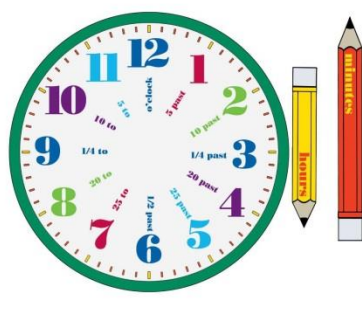

Year 4: Olivia Chatt

Year 3: Esme Hanbidge,

Year 2: Owen Ellis,

Year 1: Mia Rutherford

SCHOOL COUNCIL UPDATES

This term we have been working on lots of projects for the benefit of our school and pupils. One of which is a new clock, which was voted for by YOU! It is for the big playground and it has been ordered and is being installed during the Easter Holidays. It has been custom made by school council. We have hand picked the clock that we think is suitable for our school using ideas from various classes. We hope you appreciate our effort and find it helpful.

As your representatives, we try to include everyone in what we do. A few weeks ago we asked you to decide which prize you preferred to have for house points: either an ice- lolly or time outside with your house to be spent freely. Throughout the school it was decided that we had time outside. This will **only** be given at the end of the year to the **overall house point winner** of the year. Good luck to all of the houses!

Our new
OUTDOOR
Greenway
School clock!
Coming soon...

As many know, Robert Smith came in to sell Lego to help adults in Zambia to be provided an education in health. We assisted him in this project and he eventually raised over two hundred pounds for his needy cause. Phoebe and her friends (Erin Shukla, Olivia Kennedy, Sophie Davis and Libby Woodstock) made posters to advertise this. We have also helped Comic Relief raise a whopping amount of money to help other needy people. Thank you for reading our newspaper we appreciate all your support.
