Head Teacher: Katharine Ellwood

7 January 2020

Dear Parents

Dr Kathy Weston – 16 January 2020, 7.30 -9.30pm

Top tips for parents in supporting children in developing resilience

We are pleased to share with you that Dr Kathy Weston will be giving a talk at Greenway on Thursday 16 January. I shared this date with Parent Forum members last term and information was shared with you all in the Parent Forum minutes.

Dr Kathy Weston has spoken at some of the other local schools, including Ashlyns and the feedback has been extremely positive. I have heard her speak on a few occasions now and I always learn something new! Do check out her website (drkathyweston.com) as it is full of top tips!

Dr Kathy Weston enjoys combining her passion for parenting with her extensive academic expertise, she is committed to giving parents the practical tools they need to help their children flourish.

She firmly believes in an evidence-based approach to parenting; in this way you are getting the very best information and can have confidence in the tips you apply at home.

Our children have significant challenges to overcome as they strive to reach their potential. Her aim is to empower you, so that the parenting journey becomes easier and more rewarding.

She has over 15 years experience as a social researcher with a particular interest in parenting, education and family life. She currently works as a motivational speaker and is passionate about bridging the gap between academic research and parenting.

Please complete and return the reply slip below or email admin@greenway.herts.sch.uk by Wednesday 15 January to let us know that you can attend.

Regards
Katharine Ellwood

I/we will be attending the Dr Kathy Weston evening on 16 January 2020
