Head Teacher: Katharine Ellwood

23 March 2020

Dear Parents/Carers

Home learning

Teachers have prepared remote learning activities for their classes which is now available. The work set will be for the next two weeks. There will be no work set over the Easter holidays. Home learning is being uploaded onto the School website under the class pages. You will appreciate that many IT companies are overloaded and so this may take a couple of days. This work is there to support you. Please do not feel that all of the work set has to be completed. We have tried to put a variety of activities covering a range of subjects. We have also put in some useful free resources and websites to support with home learning. During this unsettling time it is important that children have a range of learning experiences including, meditating, sport, Art, sewing, life skills, cooking and time to talk.

Communication

Please can I remind you that if at any time you need to contact the school please email admin@greenway.herts.sch.uk **rather than emailing teachers directly**. This email address will be regularly checked.

Key Worker School Provision

For those families who are sending their children to school, please can I remind you that your child needs a packed lunch, water bottle and they can wear non-uniform. Please drop off and collect your children from the main school entrance. Please remember to bring in any medication that your child may require. School will be open from 9-3.15pm unless other exceptional arrangements have been put in place with Mrs Ellwood.

On behalf of the Governors and staff I would like to take this opportunity to say thank you and take care of yourselves and your families in these uncertain times.

Regards

Katharine Ellwood
