Thursday 26 March 2020

Dear Parents/Carers

Coronavirus (COVID 19) Update (7) – School Provision

I do hope this letter finds you and your family well and healthy.

Since the closure of school last Friday, I wrote to you on 23 March and communicated further with you regarding school provision for key workers and, moving forwards, Greenway remaining open to support these families.

Since Tuesday we have in fact had no key worker families use Greenway as those who had thought they might need the facility have made alternative arrangements. Therefore, in discussion with the Chair of Governors, I have taken the decision to close the school.

I know that there are key worker families self-isolating and that they may well need the school to re-open to support them returning to work. Please may I ask you to email admin@greenway.herts.sch.uk if you will require school provision in supporting you returning to work giving the start date and a telephone contact number – this includes any provision required during the Easter holiday period. This email address is checked daily. If school provision is requested, then I will make contact with you regarding your individual requirements and aim to staff this accordingly. **Please do not leave a message on the school phone.**

New home learning activities will be uploaded on the school website after the Easter holidays.

Thank you for your emails of support – these are much appreciated. Take care of yourselves and stay safe.

Regards

Katharine Ellwood
Headteacher
