

Where Will Bee-Bot Go Today?

I can create and debug simple programs.

Use the Bee-Bot map of the United Kingdom to plan a journey for the Bee-Bot.

Write an algorithm using the Bee-Bot commands.

Test your algorithm by programming the Bee-Bot.

Debug your program if there are any errors.

Bee-Bot Commands

Go to Aberdeen.

--	--	--	--	--	--	--	--	--	--

Go to London.

--	--	--	--	--	--	--	--	--	--

Go to Belfast.

--	--	--	--	--	--	--	--	--	--

Bee-Bot Commands

Go to _____.

--	--	--	--	--	--	--	--	--	--

Go to _____.

--	--	--	--	--	--	--	--	--	--

Go to _____.

--	--	--	--	--	--	--	--	--	--

Answers

Go to Aberdeen.

Go to London.

Go to Belfast.
