

A fun activity for a rainy day, Make a fortune teller with phonics sounds on each flap. Think of a number between 1 and 20, count it out and turn your fortune teller and read it. Or another way to find a sound say the letters of your name or someone else's name and open the paper.

Make one with words and some with phonic sounds. Write a sentence when you see a word. Write 10 words when you see a sound.

Use Set 1, 2 or tricky words Make one with numbers to and have shapes in side you can talk about.
