

Dear Elm,

I miss you all and I hope that we are back at school soon, but remember we are doing this to keep everybody safe! So well done, keep going and let's hope we can get back to normal soon.

How are you all? What have you been doing? It has been nice to receive emails from some of you showing off your work - please keep sharing, it makes me smile!

I have created another lot of activities for you to do over the next two weeks - but remember Friday 8<sup>th</sup> is a bank holiday to celebrate VE day, there is an activity about VE day to do on the Thursday so you can learn all about it.

I have still been going for walks, doing daily exercise and keeping in touch with my friends and family through phone calls, messages and FaceTime. I've baked and cooked a bit more than normal and I finished reading a whole book and am now half way through another one! What has been your favourite thing to read whilst you've been at home? I enjoyed my Easter weekend even though I was not with my family as I had planned and I ate lots of chocolate eggs!

I hope to hear from you all soon, you can send me an email over the next two weeks with some of the activities you have completed.

Take care,

Miss McGuire
