

Dear Year 4 Willow class,

Hope you are all well and have been enjoying the lovely sunny weather as much as possible!! I know that some of the home learning tasks may be tricky but just try your best!!

I have spent some mornings carrying out home learning activities with my children. I thought that some of you don't listen to me some of the time, my 2 children don't listen to me at all!!

We also celebrated the birthday of our youngest son who was 7 on the 22<sup>nd</sup> April. He said it was the best birthday ever! We had lots of zoom calls with family and friends and his class sent video messages wishing him happy birthday. He was a bit sad to not to be having a football party with his friends, but hopefully it won't be long until he can celebrate with them.

I know you are all missing being together and playing together but hopefully it won't be long until we can all be back in class together doing double Maths and English!!!

It has been lovely to see some of the work that you have been doing, keep safe and see you soon.

Mr Loczy
