

## **Spelling learning for each week.**

Please spend approx. 2 sessions per week for 30 minutes learning and working on the year 3 and 4 spelling words.

Please choose 10 words to work on per week and write them out like you have done for homework – in a variety of multi sensory ways.

At the end of the week you can have a go at writing the 10 chosen words into sentences – doing your own dictation! Make up 10 of your own sentences with the words in and see if you can remember how to spell them without looking!

You can also do a mini test or look, write, cover, check if this helps you to learn them.

### **TOP TIPS:**

I would suggest selecting your 10 words in order starting with Year 3 and 4 words. The Year 3 and 4 words are very important to know as they are more commonly used words.

I am looking forward to seeing how you progress with your spellings! Mr Loczy
