**Day 1:** Choose 5-10 words from the list that you find trickiest to spell. Write each word at least 3 times, choosing a spelling strategy we have used at school e.g. Pyramid, colour the vowels, flowers, drawing the shape etc.

**Day 2:** Write silly sentences: write 5 sentences which include as many different words from the list as you can. Don't forget, you can use conjunctions to make your sentence longer e.g. **Forty little children** wore their **favourite clothes every Wednesday** and **sometimes** looked **really weird**.

**Day 3:** Ask a grown up or sibling to choose 10 words from the list to test you on. They say the word and you spell it.

**Day 4:** Write silly sentences: this time you have to include as many words from the list that start with the same letter e.g. I **believe** you are **because** you **brought** it **before**!

**Day 5:** Write a short paragraph about lockdown and try to include as many of the words from the list as possible!
