

Dear Year 5 Chestnut class,

I hope that you all had a lovely half term week! I know it will have been different to our usual school holiday but I am sure that you made the most of the time with your families.

It has been my mum and my brother's birthdays and I got them cards, gifts and made my mum a cake! I decided to make one of her favourites, a coffee and walnut cake. I delivered it to her on her birthday and she loved it! I also made my brother a carrot cake and he loved it!

I have been able to see some of my family now at a safe distance and that has been so lovely! I bet some of you have enjoyed this too.

Sylvie and Seve have been very cute, spending their time with me whilst I am working on my laptop! They both try and sit on my lap and can't fit! I took this photo of them together, squeezed into their smallest cat bed up high on their cat tree!

Friday 29th May 2020

My cats have really missed me because I have been back in school preparing it ready for the return of some year groups. I will be busy teaching children on June 1st in School.

I also made sure that I learnt how to do another coffee art design to show you! Here it is...

I have really enjoyed seeing your photos, home learning and baking! You are all doing remarkably well and I would like to say thank you to you, your parents and families for doing your best in such a different and challenging time. It is so lovely to hear that many of you have been speaking to your grandparents and wider family and learning with them.

In the meantime, I have created another set of home learning tasks for 2 weeks.

Please remember that you can email me on:

amy.orr@greenway.herts.sch.uk. I would love to hear from you!

Stay safe and take care,

Best wishes from Mrs Crockett 😊
