Dear Parents/Carers

I do hope this letter finds you and your family well and healthy.

I am writing to you in response to the Prime Minister's statement that he made yesterday evening at 7pm.

Like you, I have just heard the announcement that the government *may* be in a position to implement a phased re-opening of schools and that Reception, Year 1 and Year 6 classes *may* return to school on 1 June.

I am sure that you may have questions about this, but currently I trust you will understand that I am not in a position to answer them until such time as I receive further information from the government about what this announcement means for schools.

At this current time nothing has changed for schools and I will endeavour to provide further information in the coming days and weeks once I am able to do so.

Regards

Katharine Ellwood
Headteacher
