Dear Parents/Carers

Further to my letter dated 11 May I thought I would just update you briefly:

1. Further guidance has now been given by Government which indicates that if there is to be a phased re opening of schools on 1 June, in addition to Reception, Year 1 and Year 6 classes, **Nursery classes** are included in the year groups which *may* return to school on that date-
2. We have been advised that the Local Authority will be providing advice on the recent Government guidance documents to schools by the end of the week at which point I will communicate with you further.

I do understand that this is an unsettling time for all and that you are likely to have many questions but I trust that you will understand that I believe it prudent to hear from the Local Authority before communicating further with you.

Regards

**Katharine Ellwood**  
Headteacher
