Dear Children

I do hope this letter finds you and your family well and healthy.

Did you enjoy VE Day? Did you see the plane flying overhead with the VE Day banner? I spent time with my neighbours, sitting in my front garden two metres apart! I enjoyed watching on the television the VE Day celebrations that took place in 1945 – so many people.

Yesterday while I was taking part in the clap for the NHS, a little girl came out from her house and stood all by herself and played her violin. It was a lovely surprise. Mrs O'Brien and Mr Loczy are keeping me up to date with the Greenway Street Band, who perform every Thursday evening. It is getting bigger and bigger, with whole families taking part. Well done to all of you!

How big is your collection of plastic bottle tops? Currently I have 12 in my collection and I have to keep reminding my family to stop throwing them away.

Mrs Adams has asked me to send out to you today a STEM science competition for all of you who are in Year 2 – 6. Take a look at it and see if you want to take part!

I know lots of you will have heard from your parents or from the television that the government may be opening schools after half term on 1 June for some year groups. The staff at school are working really hard to make sure that this can take place and that you can return safely. I know that some of you will be excited, but also worried and that school will feel very different. Remember to talk to your family about how you are feeling.

Take care of yourselves and stay safe.

Regards

Katharine Ellwood  
Headteacher
