

Dear Year 2 Pine class,

I hope that you all had a lovely half term week!

I have really enjoyed seeing your photos, home learning, art and cooking! You are doing a fantastic job at home and I'd like to say a big thank you to you and your families. It's great to hear that you are learning really important life skills too- cooking, sewing and helping around the house.

It was my brother's 21<sup>st</sup> birthday just before half term. I met him for a walk, at a distance, which was lovely as I hadn't seen him for months. I also sent him a card that covered him in confetti when he opened it. It made him jump 😊

On the bank holiday weekend, I went on a lovely walk with my partner in the sunshine but beforehand we had my favourite breakfast treat.... blueberry pancakes- they were delicious!

I've been in school a lot recently and my cat has really missed me. I have been back in school preparing so that it is ready for some children returning. I will be busy teaching children on June 1<sup>st</sup> in school.

In the meantime, I have created another set of home learning tasks for 2 weeks.

Please remember that you can email me on:

[kayleigh.dell@greenway.herts.sch.uk](mailto:kayleigh.dell@greenway.herts.sch.uk). I would love to hear from you!

Stay safe and take care,

Best wishes from Miss Dell 😊
