

Dear Year 4 Willow class,

The weather has been very changeable, I hope that you are still getting outside as much and getting lots of fresh air.

My children are starting to listen to me!! We set up a timetable to see if that helps so they know when they were doing Maths, English and Theme work. It really helped them know when they were doing what and more importantly when they could go on their devices or watch a movie!!

It has been fantastic to see the work that you have been completing at home. There have been some very creative Viking longboats and some beautiful dioramas, some with additional animals included!!

I hope that you have all been getting on with your siblings during the lockdown. My two children are finding it difficult to spend all the time in each other's company. But overall they get on, as I am sure you all are!!

I have been spending time in my front garden playing with chalks on the pavement with my children. It has been lovely to see some of you walk past with your families.

Keep safe and see you soon.

Mr Loczy
