

Dear Willow class,

Hope you are all well and still enjoying this lovely weather!

Since my last letter the Loczy household has entered the birthday season! On the 14th May it was one of my nieces' birthday, on the 18th May it was one of my brother-in-laws birthday and on the 21st May it was my sister-in-law and my mother-in-laws birthday. And yes they do share the same birthday!

That's a lot, but it will be my birthday on the 30th May. Two of my cousin's birthdays are on the 1st and 2nd of June and my brother is 50 on the 9th June!!! That is a lot of birthdays!! I know some of you have had 'lockdown' birthdays, they are a little strange! However, I am hoping to get lots of nice presents and a birthday cake, but not the correct amount of candles, they would not all fit!

Luckily I did not forget my wedding anniversary on the 24th May as well!

Home schooling is going okay some days better than others as I am sure is the case with some of you! Just remember to try your best!! I have really enjoyed you sharing some of the work you have been completing.

With the easing of the restrictions, I have been able to see some of my family members which is really nice. Hopefully over the next few weeks we will continue to see some of the restrictions lifted. My children are desperate to see their friends again!! We have had a few tears over the smallest of things and they are desperate for things to return to normal as I know you all are!

Keep safe and see you soon.

Mr Loczy
