

Dear Pine,

Thank you so much for your lovely emails. It was a joy to read them and learn about what you have been doing. You're all doing a fantastic job! You are super stars!!!! You should be proud of yourself! If I haven't received an email from you yet, I'm still thinking of you and you can send me one next time!

I know you miss school and I miss teaching you all! We just need to keep reminding ourselves that we are doing this to keep safe at the moment.

I thought I'd share my eventful story. As I walked back from the shops, I noticed a duck family in difficulty in the road. I safely crossed the road and helped them to the side but the silly ducks then needed to cross the road again to get back to the pond! I don't know, silly Mrs Duck! So I carefully stopped the traffic and hurried them across the road. When they arrived on the other side of the road, I was very relieved and they dived into the pond. The ducklings were adorable and they thought my shoes were home. One jumped on my foot! I took a picture. The duckling at the back was the cheeky one... always trying to go the wrong way.

I have created another set of home learning activities for one week as it is half term. You can send another email sharing your learning and/or achievements too.

Make sure you have learning breaks, time to calm and time to talk.

Stay safe and wash your hands,

Miss Dell
