

Year 4 Escape the Safari Park Parent Guide

Children will love playing this escape the room game. Here are some tips on how to ensure the game goes well:

- Prior to playing the game, hide the clues around a room so your child has to search for them.
- Give your child a recording sheet.
- Show the children the first part of the PowerPoint which explains the scenario. The game works particularly well if you add a dramatic tone to this part!
- Read through the rules of the game and then set the children to work. (Stop
- Children may need support reading some of the clues.
- Some of the clues are trickier than others and children may need support.
- The clues can be tackled in any order as long as they are written in the correct box on the recording sheet.
- Once the clues are solved, go through the rest of the PowerPoint to see each answer and the code.
