

Greg is counting down from 36 in steps of 10.

Will he say -6?

Justify your answer.

What temperature is 10 degrees lower than 4 degrees Celsius?

Harper Town had a total of 4 points before being deducted 10 points for being late to a game.

How many points does the club have now?

DAY	Mon	Tues	Wed	Thur	Fri
TEMPERATURE (°C)	4	-4	-6	0	7

Use the temperature chart to answer the following questions:

Which was the coldest day?

How much did the temperature decrease from Monday to Tuesday?

How much warmer was it on the coldest day than on Friday?
