

Dear Elm,

I'm really glad that we have been able to open the school to more year groups, as it's meant that I can teach the whole class again - even if it is only for two days at a time! It's been lovely to have most of you back before summer. I know we are still missing some of you though and I hope you are safe and well - I look forward to speaking to you on the phone at some point over the next couple of weeks 😊.

I've been really busy outside of school as June is the month of birthdays! I have been ordering lots of things online as the shops haven't been open. My flat has felt like a post office! First it was my brother's birthday, so I ordered him a jigsaw of the twins and he can't wait to finish it and frame it.

Then it was my mum's special birthday (she was 60!) so I ordered her a really big cake and some balloons to her house. She absolutely loved them - she said it was a great surprise. I got her lots of other little things to.

After that it was my partner's birthday. I decorated the flat when I got home from work because I get home before him. When he got back there were loads of balloons everywhere, a chocolate cake and lots of presents!

Finally, it was Father's Day so I ordered my dad some gifts too. Phew what a busy month. Now I can look forward to my birthday next month. Lots of you have summer birthdays too just like me! I hope you have enjoyed celebrating or will enjoy celebrating even if it is a little different this year.

As the school year comes to an end, this will be my last letter and the final set of home learning. So before I move back to Manchester, I wanted to say it has been an absolute pleasure teaching you all this year and I hope that you all do well in Year Two! I know you will 😊. I will miss Greenway very much, it is such a great school and you're all very lucky to have such a wonderful place to learn. I have enjoyed teaching in Year One at Greenway, but I am also very excited to be going back to Manchester to be near my family and friends again and to see the twins grow up!

I hope you all have a wonderful summer!

Take care,

Miss McGuire
