

JUNE 2020

Greenway NEWS

Welcome backthank you for all your good luck messages.

It was so lovely this morning to see some of you return to school. There were lots of smiles and excitement! The children have been amazing, returning to school with a positive mind-set and learning about the new procedures for their bubbles. Cleaning is very much part of the new regime! Many commented positively on the video. For those of you who are still at home, we are really looking forward to seeing you soon and don't forget to email your class teacher with work that you are proud of.

QUEEN ELIZABETH

A message from the Queen!

Monty W in Reception was delighted to receive a letter from the Queen. He had been painting his pebbles as part of his home learning – which was where Reception children were going to leave the pebbles around town for other children in his class to find. However he thought they looked like jewels and wrote to the Queen, sending his pebbles to her to see if she would like some more jewels in her collection. She was very thankful for them....

A big 'thank you'...

Thank you to Richard Millar, one of our governors who kindly donated 20 litres of sanitiser to the school! Very helpful indeed.
